# GO! GO!
# POWER RANGERS ZEO!

**We talk to Jason Frank - better known to you as Tommy the White Ranger!**

We caught up with Jason Frank at the luxurious Hyde Park Hotel in Knightsbridge, London. Jason is here in England to talk about the new movie video, and speak to his British fans. He has his brother Todd to keep him company, and to help him eat the trolley-loads of fancy sandwiches supplied by his movie company!

Q: You've just started filming the fourth season of Power Rangers - has the series changed at all?

A: Yeah, we're getting into the cool stuff now - we're changing the gear, we're changing the name, we're changing everything!

Q: Changing the name?

A: Yeah we're going to become **Power Rangers Zeo!**

Q: Will you be using the Ninja Zords from the movie? The computer-generated ones.

A: No, they're just too expensive for TV! They said, 'they cost *how* much?' No we don't need to change...you know the show *works* - why fix something that's not broken?

Q: Is it true there will be a new Pink Ranger?

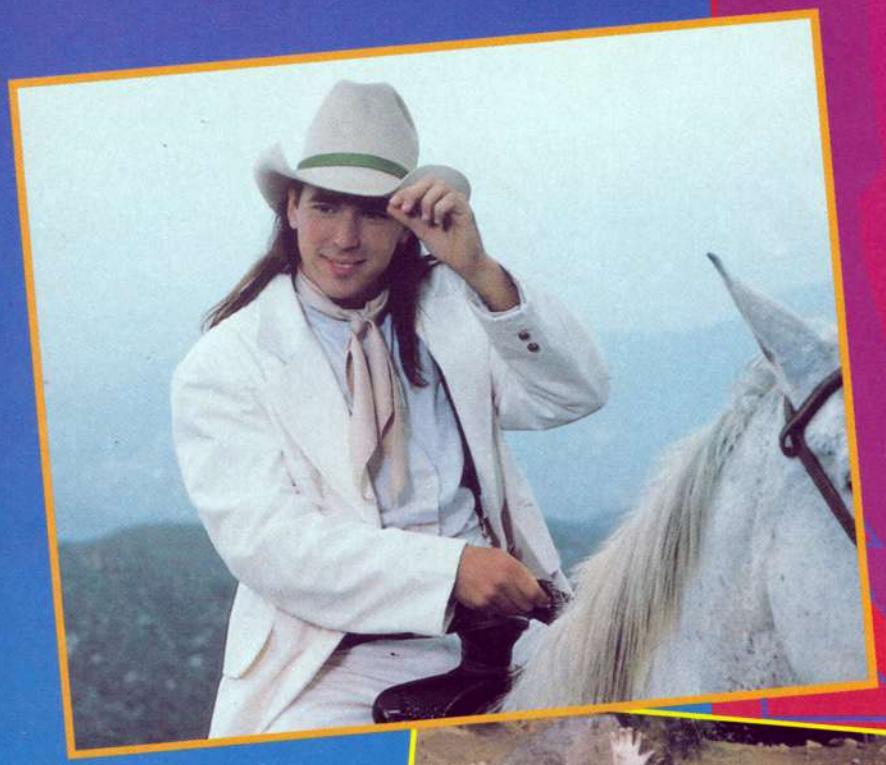
A: Yes, Amy Jo has left the series, and we have a new Pink Ranger. Her name's Catherine and she's from Australia.

Q: Does this mean there'll be a new *love interest* for Tommy?

**Yeah, there could be some interest! I mean that's what the viewers like to see, and that's what makes the characters interesting. It's kind of like a soap opera, don't you think?**

Q: There wasn't much of that in the movie?

.A: **The movie was action, action, action! But the kids want to see *us*, they don't just want action, they want a story.**



Saban want to make more films, and the next one will be 85% about us. Saban think Power Rangers can be like Batman or Superman, it can go on for years and years with a new cast and new adventures. It's still the biggest kids' show in America. Who knows, maybe one day Val Kilmer will play the White Ranger!

Q: Do you get bugged by female fans? Do they chase you around?

.A: No! I get lots of letters, but when they see you they tend to turn all shy! I get chased by dogs and cats and stuff mostly...

Q: Our magazine gets a lot of letters to Rita with ideas to beat the Power Rangers. Do you have any ideas of how to beat them?

.A: Nobody knows that the Power Rangers are affected by Kryptonite! Maybe someone should try that on them...

NEXT ISSUE: LET'S BE FRANK! JASON TALKS ABOUT MARTIAL ARTS, AND HOW TO BE A POWER RANGER!

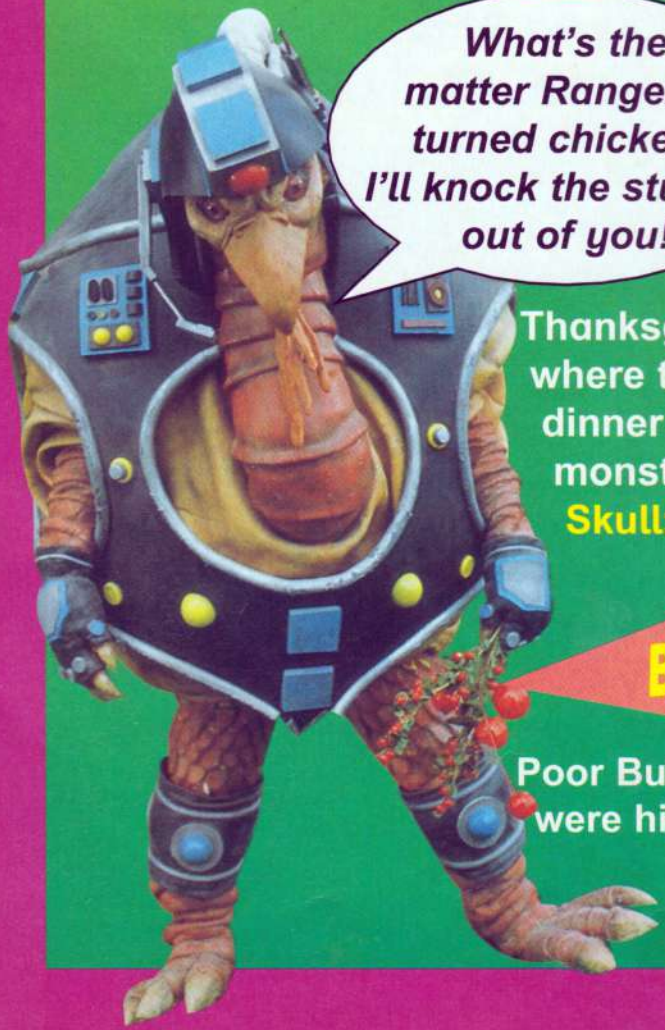
# MONSTER-MAKING MADE EASY

You see it, and you've just got to have it! It's that book you've always wanted! Everyone has their favourite reading, even Bulk and Skull...they couldn't resist a book called Monster Making Made Easy. Only - you guessed it - it WASN'T easy!

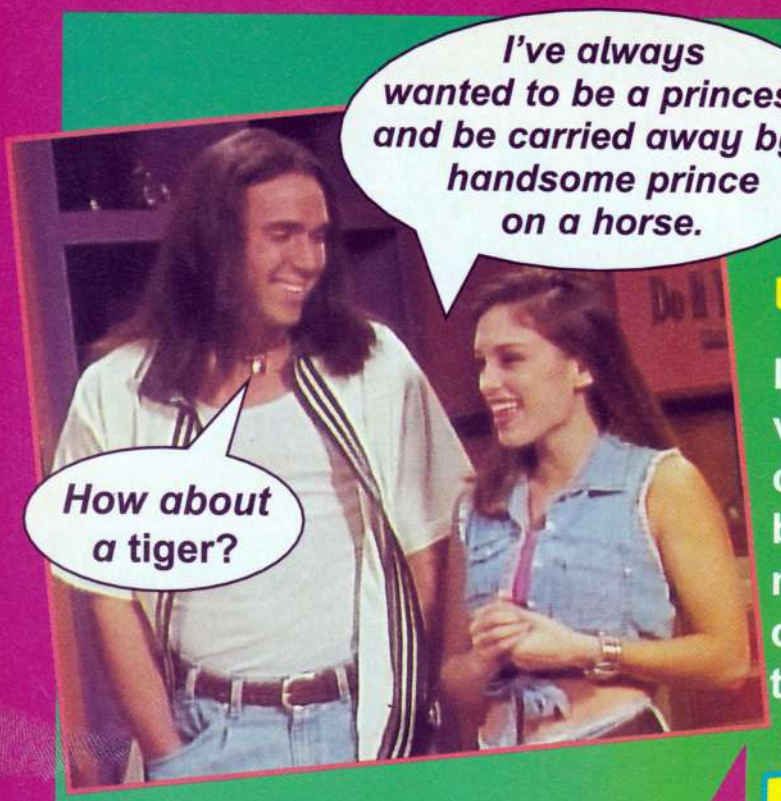


Skull bought a book for his mum's birthday - How To Cook A Thanksgiving Feast - and somehow got it mixed up with the MONSTER book. Thanksgiving is a celebration day in America where the family gets together for a big turkey dinner - the result of Skull's blunder was a monster mix-up!

Skull: "Now let's see...cover the legs with foil...."

## BEHOLD, THE TURKEY JERK MONSTER!

Poor Bulk and Skull. Turkey Jerk thought they were his 'folks!' Don't worry, Power Fans! Billy, Aisha and Adam roasted this terrifying Turkey with the Power Cannon!



**Kimberly's idea of a good book is obviously a classic fairy tale romance! But what kind of book would the others like? - try our quiz!**

In Storybook Rangers, we hear various Power Ranger characters mention the special book they want to buy. We've mixed them up - see if you can connect the right person with the right book!

1. **KIMBERLY**
2. **AISHA**
3. **BULK and SKULL**
4. **ADAM**
5. **BILLY:**

**A. Meditation**

**B. Grumble the Magic Elf**

**C. Quantum Physics Can Be Fun**

**D. How to Cook A Thanksgiving Feast**

**E. How To Break Into The Fashion Business**

And they all live happily ever after...In case you were wondering what happened to Tommy, Kim and Rocky while the others were beating the Turkey Jerk, they were zapped into a storybook by Rita! Here they are helping Grumble the Magic Elf to deliver his presents to the little children at the orphanage! They spoiled Rita's plan to ruin the story and escaped.

**Here's all you have to do to win - suggest a Christmas present that would be perfect for a Power Ranger! What would you buy your favourite hero? Or maybe you have a gift in mind for Bulk and Skull - or even Rita!**

**Send your suggestion to: Alpha's Christmas, Power Rangers, Marvel Comics Ltd., 13-15 Arundel St., London WC2R 3DX.**

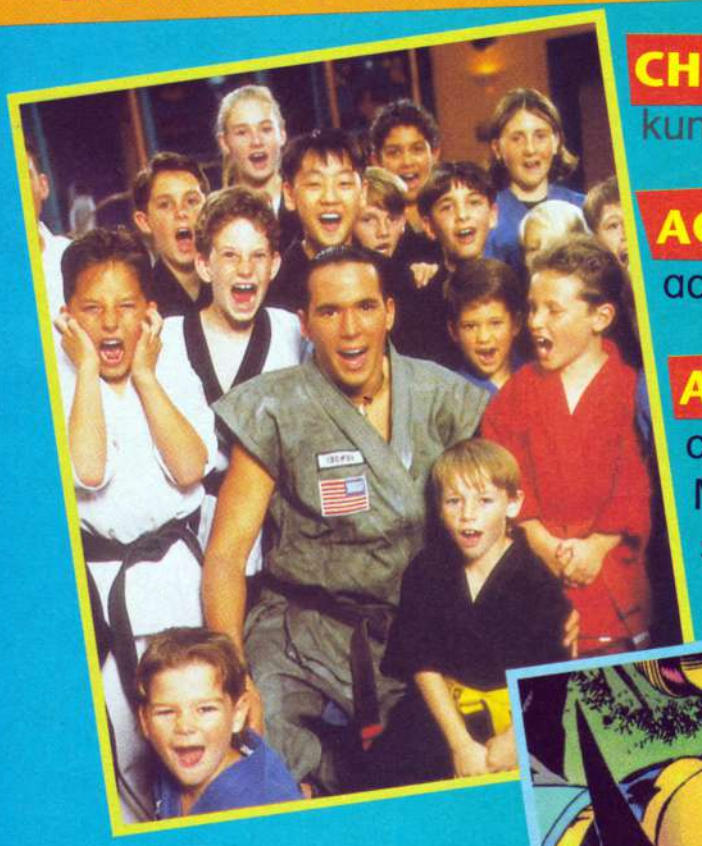
# MY FAVOURITE THINGS! ENTE

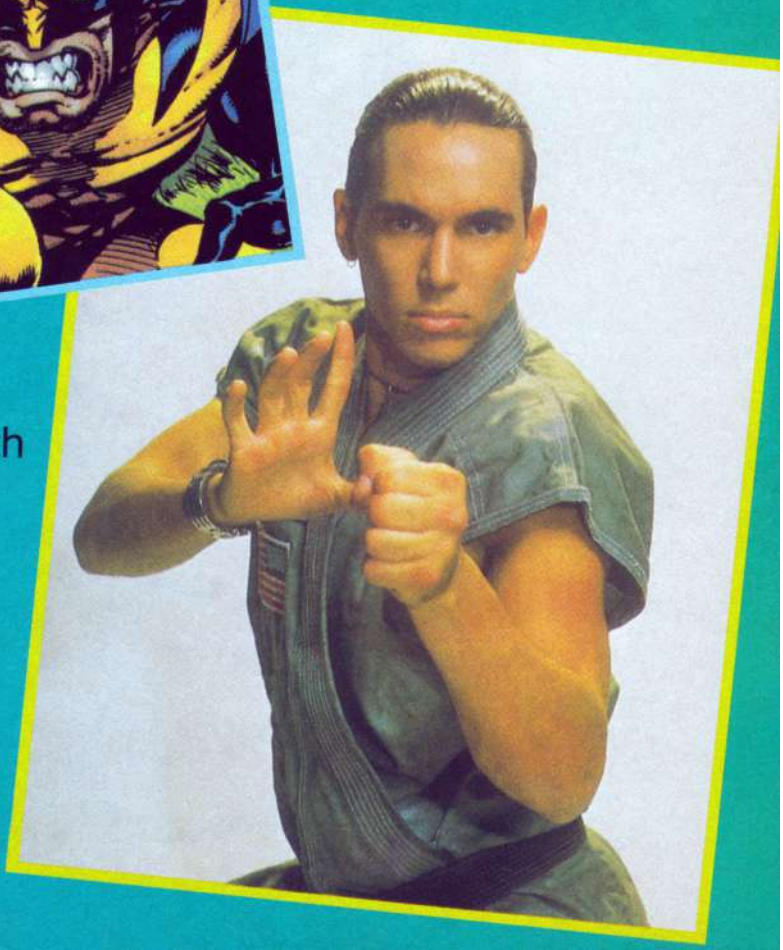


**CHILDHOOD HERO:** Bruce Lee - the kung-fu legend.

**ACTOR:** Tom Hanks is a really cool actor!

**ACTRESS:** Apart from Amy Jo of course! I like Sandra Bullock (Demolition Man, The Net), she's doing some great stuff on the screen at the moment!

**COMICS HERO:** Wolverine! I love the X-Men, I used to buy loads of Marvel comics, I love Marvel comics! To be honest I **hated** D.C. Comics. I used to collect only the comics that Wolverine appeared in - he was a cool guy! But I ended up having to sell my collection when I bought my first karate school. I needed all the money I could get. But I kept the HULK #184 issue with Wolverine's first appearance in!



**SPORTS STAR:** Mike Tyson is cool for boxing - a lot of Americans have baseball heroes. I don't like baseball, I mean why throw a ball when you can keep it?

# THE WORLD OF JASON FRANK..

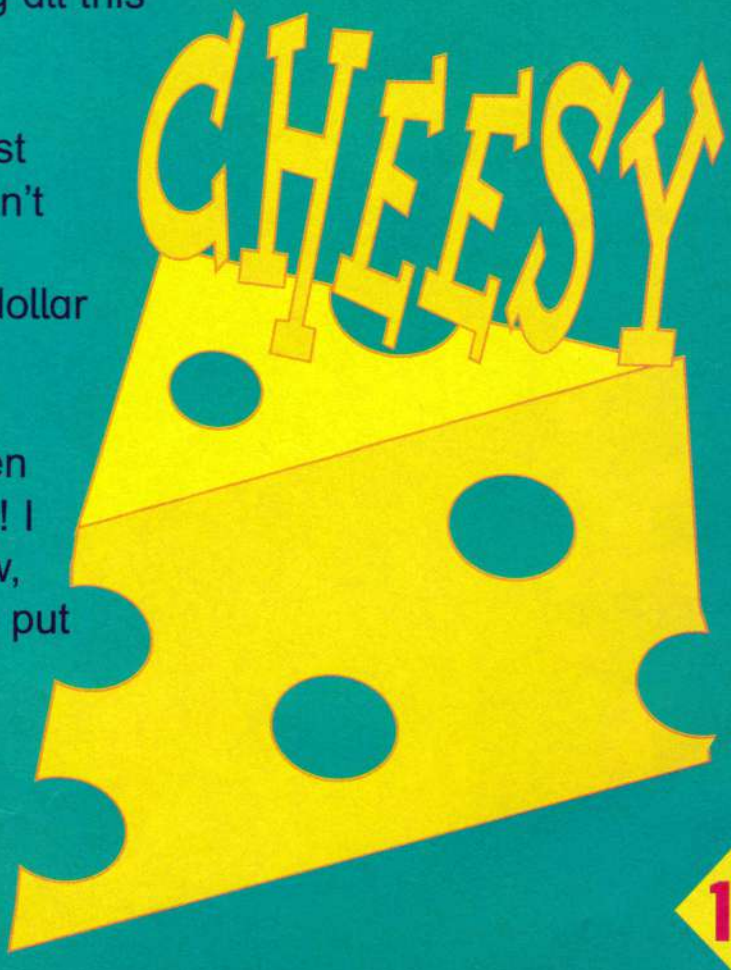
**DRINK:** I drink a special protein shake - it's like 37 grams of protein. I like the taste, but everyone I give it to doesn't like it! Maybe I've just got used to the flavour!

**MONSTER:** The Big Mouth Monster is my favourite- it's in the new series - he shrinks down real small and when I eat him with my sandwich, I get real hungry and start wanting all this junk food!

**COMEDIAN:** Jim Carey - he's just funny - he's a funny actor. But I don't think he'll be guesting in **Power Rangers**... he's like a 20 million dollar man!

**PET HATE:** Cheesy! I hate it when people say the TV show is cheesy! I mean it's still the number one show, and basically kids **eat** cheese! So put that in your article!

***Cheesy - what does it mean anyway?***



# ALPHA 5

**Alpha is the loyal servant of Zordon, keeping watch over the eternal battle between good and evil across the cosmos! With Zordon trapped in a time vortex, this brave robot, no bigger than an earth child, is his eyes, ears and hands.**

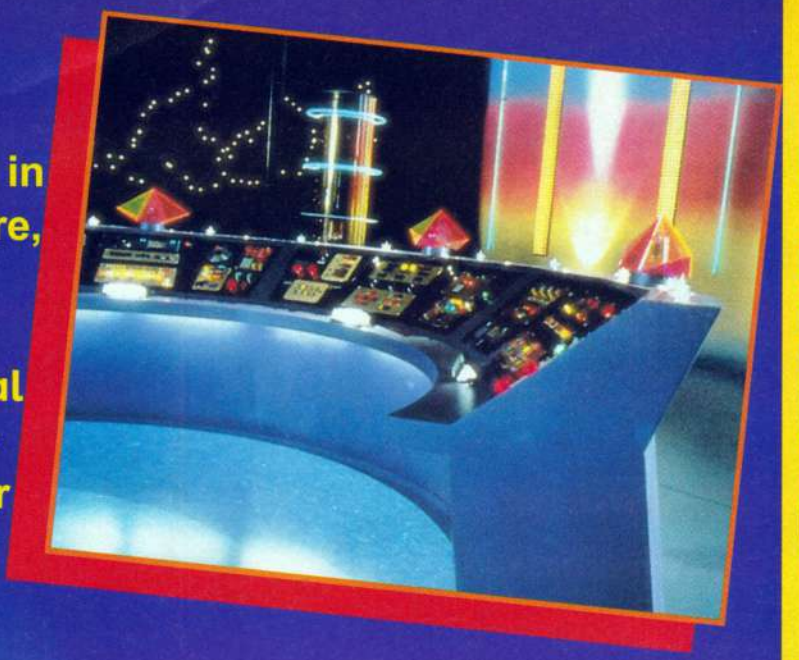
## P.R.OFILE

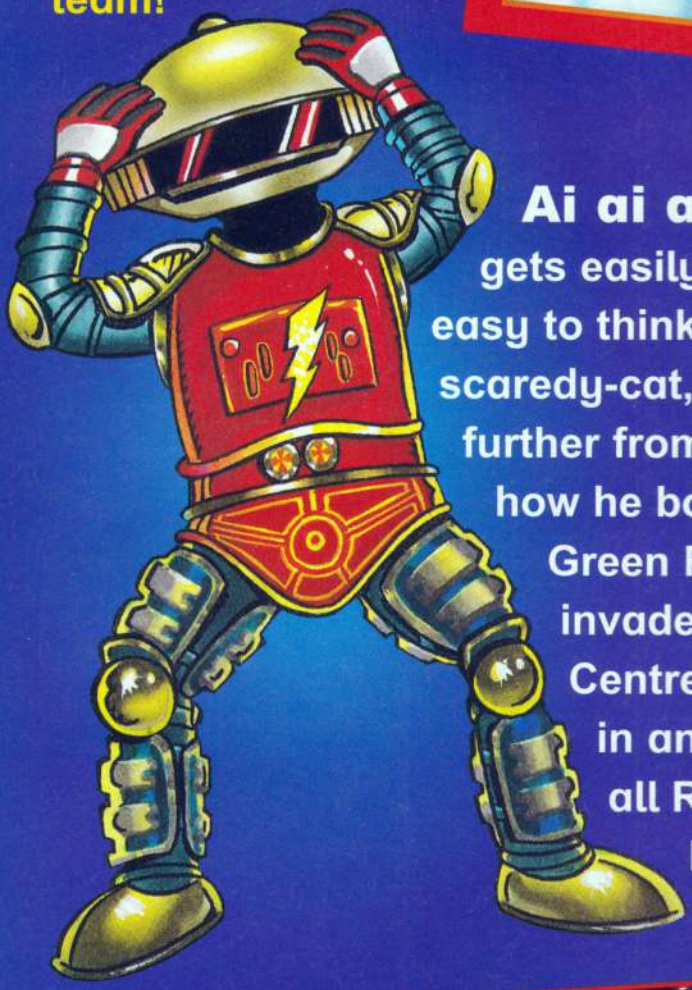
Alpha is the most **human** computer ever made, thanks to the mixture of magic and technology used in his creation. He can understand the ups and downs of life for his teenage friends, and give them the sympathy and encouragement they need.

Alpha watches over our heroes in battle and chooses exactly the right moment to teleport them to safety, or to summon them for new orders or data from Zordon.

# P.R.OFILE P.R.OFILE

This friendly robot controls all the miraculous devices in the Command Centre, including the all-important Viewing Globe, Zordon's vital 'show and tell' info-station for his super team!





**Ai ai ai!** Because Alpha gets easily flustered it would be easy to think him a bit of a scaredy-cat, but nothing could be further from the truth! Remember how he boldly took the Evil Green Ranger on when he invaded the Command Centre, and imprisoned him in an energy field? It took all Rita's magic to help him escape!

Alpha's role is that of Guardian Angel to the Rangers. He's their walking talking home computer, but most of all he's a friend!

ALPHA'S ESSENTIAL MONSTER ANALYSIS

# PIRAHNTIS HEAD

**OCCUPATION.....**
Fish Monster

**APPEARANCE.....**
Red-crested, white-bellied, green-toed terror! (With nippy Pirahna-teeth)

**POWERS.....**
Foul Fish-breath! It can freeze up Zords, and take control of machines!

**CLAIM TO FAME.....**
Pirahntis-head was the first monster that Lord Zedd ever created!

**CLAIM TO SHAME.....**
Despite being given all Zeddy's amazing power, poor old P-Head was easily beaten with just one swipe of the Thunder Megazord's Power Sword!

**SPECIAL WEAPONS.....**
His Two-Fish Power-Chain. When he plays on the fish-tails like a flute, his breath power increases! Ai ai ai! And we thought Rita's monsters were weird.

**FAMOUS LAST WORDS.....**
"I'll tear you apart with my bare fins!"

**RANGER DANGER FACTOR.....**
95%. Old Fish-Breath may have been a pushover for the Thunder Megazord, but he did help Lord Zedd take over and destroy the original Zords - something Rita never achieved!

# THE PINK RANGER HELPS YOU BEAT THE WINTER BLUES!

**Adam was teasing me the other day. "Kimberly, what are you going to do now that winter's setting in?" he asked. He had a point. I just love those sizzling summer styles!**

Or so I thought until I realised that all the new Autumn/Winter fashions would be out! I could wrap up warm and **still** look totally awesome! I mean I want to look my best for my annual snowball fight with the Putties!

One winter hazard is that mean old north wind. It can ruin a hairstyle in seconds! But Aisha and I have found a way round **that** problem too - we hang out in the **shopping mall!** It's warm and what's more it's full of **shops!**

And although I know most of you out there don't wear brightly coloured costumes like us, it's a good tip to wear some sort of bright or light coloured clothing - especially now it's starting to get dark early. That way cars and bikes can see you. Remember: **Be seen, be safe!**

# FIREBIRD THUNDERZORD

The Firebird Thunderzord is a vital part of the Zord Power Team. Although smaller and less powerful than the Red Dragon Thunderzord, it is faster, and better suited for stunt-flying, making it ideal for reconaissance - flying ahead and checking out battle situations, and reporting back to the rest of the team.

It can also be launched from the breast-plate of the Mega-Thunderzord, in a powerful, missile-like attack - one of Kimberly's most daring and courageous stunts!

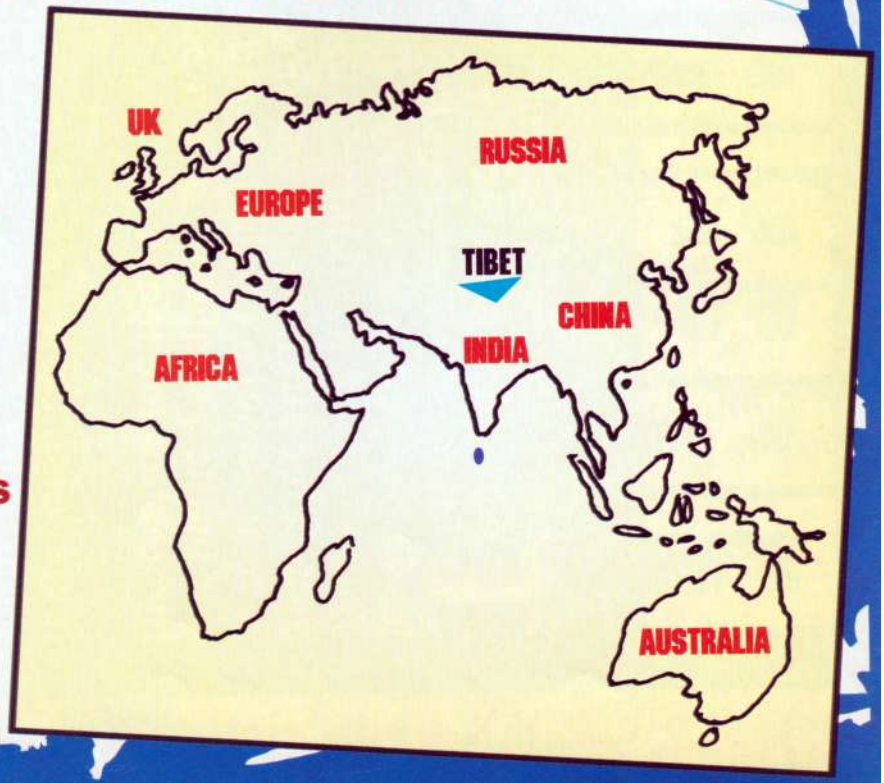
This totally cool Thunderzord is stylishly finished in hot Passion Pink with gold trim. The cockpit, set in the Firebird Thunderzord's head, also boasts a wonderfully plush, matching interior witha state-of- the- art stereo CD player.

Well you never know when the Pink Ranger might have to rush straight from the scene of a dangerous battle, and morph straight back into her normal teenage identity! There might even be a party to go to!

# FINSTER'S MONSTERS

Up here on the moon we don't have seasons...in fact the weather always seems to be the same, apart from the odd meteor shower! But down on earth you've all got the winter to look forward to! I like winter, it reminds me of one of my favourite monsters....the Abominable Snowman of course!

High in the mountains north of India, in the countries of Tibet and Nepal, there are stories of a large, hairy, man-like creature that lives in the mountains. I'm talking about the Yeti! The Tibetans have another name for it, though. They call it "Metohkangmi". Now that's what you call a **real** monster name. It's even harder to say than "abominable", isn't it?



Some climbers say they have seen something moving on the mountain slopes where no living thing should be, and many have seen strange footprints in the snow where there shouldn't be any! Some even claim to have photographed a large shaggy man-like creature. Men have even gone on special expeditions just to try and find one. People have even offered rewards if one is found. But still, to this day, no-one has ever seen one close up.

So what I want to know is this; if nobody has ever seen one close up how do they know that it's so abominable? I've had to sit and watch Squatt eat. Nothing can be as abominable as that, *believe me!*

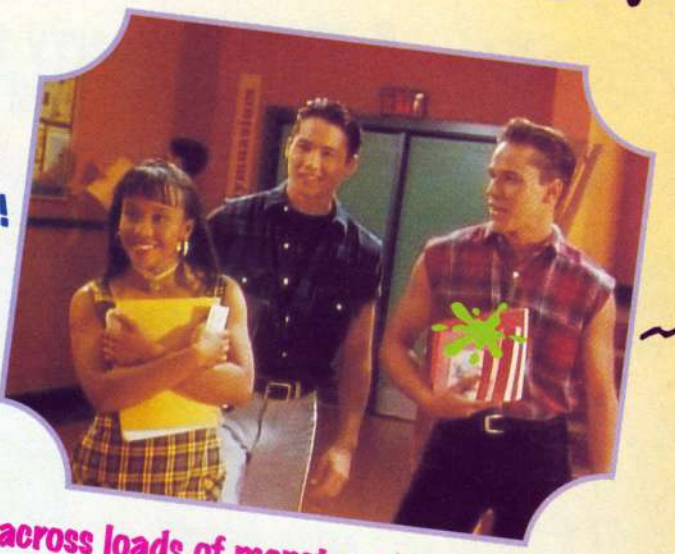
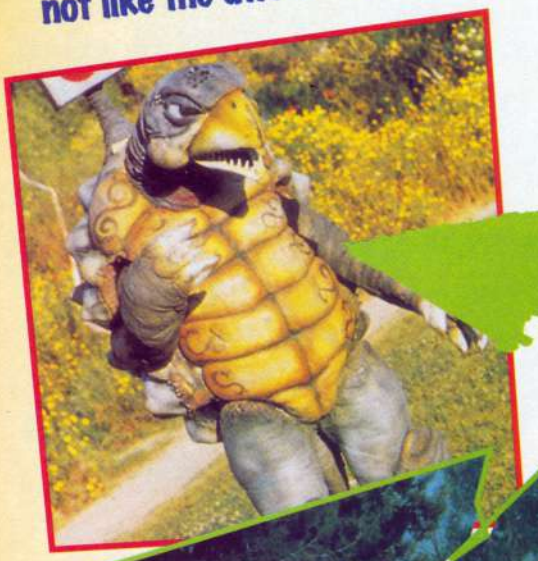
## OUR TOP SEKRET FOTO-FILE!

Who ARE the Power Rangers??? They're sure not like the dweebs we hang out with in class!





We come across loads of monsters on our adventures, here's one Skull snapped the other day. Sorry about the wonky picture, but he was running away at the time!!!

We had to hide from these ugly looking dudes in the park – but look on the bright side, it made us late for school!

Power up dudes! Isn't this a great snap of the Rangers in action! We were going to offer them OUR help fighting against the latest monster, but they were just moving too fast to hear us! Tough break!

# EMPRESS WITH THE HEADDRESS!

Being an Empress of Evil doesn't just mean being wicked and ruthless, but also looking good while you're doing it. After 10,000 years Rita's getting a bit tired of the same old headdress.

**So we thought this would be a brilliant new style for her, what do you think?**

**Can you design a new look for her?**

Maybe she needs a wacky new hairstyle, or a wild new hat? The choice is yours! Get drawing - Rita will judge the winners

There's a special Power Rangers prize for the best one!

# RITA

**At last! Evidence that there is intelligent life on Earth! Read my first letter...**

Dear Rita,
I love you! You look more beautiful now you've had some of Finster's moon-mud! I am sad that you married Zedd! Could you leave that scrap-heap for me!? Tell Scorpina she's ugly.
I answered 'C' to all your questions in the monster test! Hope you destroy the Power Geeks, the Command Centre and take over the world!
Yours,
James Steinmann XXXXXXXXX

**YOU'RE sad I married Lord Zedd - how do you think I feel? Do you think it's fun watching him eat his Mice Krispies at the breakfast table every morning? Yuck!**

Dear Rita,
I hate you so much it's unbelievable. So how's about making me your worst friend? I have one major problem: "parents" - yes those irritable people who should be teleported to your dark dimension. Anyway, answer this question for me or

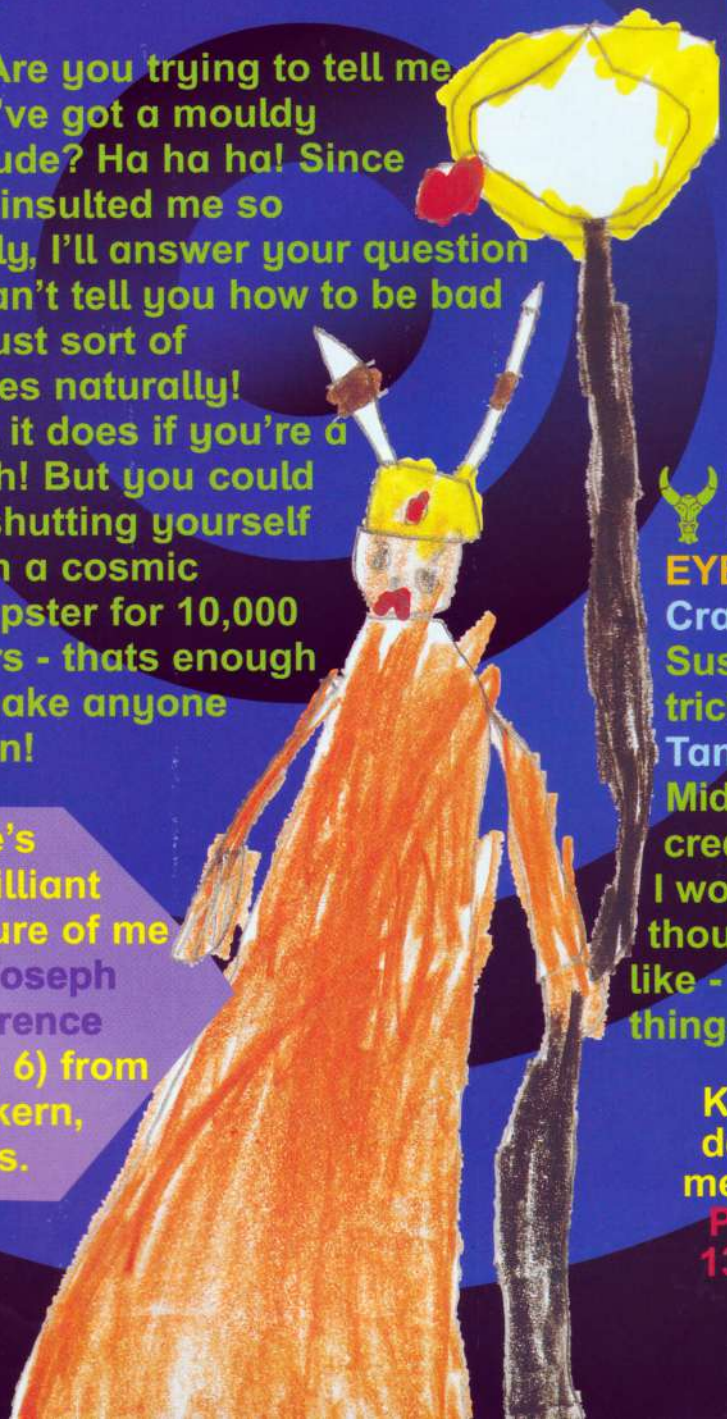
else: How can I be BAD?
I took your tip about leaving my room untidy because now I've got mould growing up my walls and I've named it after you, because it has your attitude.
See how nasty I am?
Robert Gibbs

Are you trying to tell me I've got a mouldy attitude? Ha ha ha! Since you insulted me so nicely, I'll answer your question - I can't tell you how to be bad - it just sort of comes naturally! Well it does if you're a witch! But you could try shutting yourself up in a cosmic dumpster for 10,000 years - thats enough to make anyone mean!

My Monster Harvest this issue features SKATEBOARD EYE ON WHEELS, created by Craig Newman, from West Sussex. I bet he'd be too fast and tricky for those Teen Twerps! And Tanya Perkins from the West Midlands has sent me this clawful creation - THE CRAB OF DOOM! I wouldn't want him in my Palace, though. You know what crabs are like - they're always pinching things! Hee hee!



Here's a brilliant picture of me by Joseph Lawrence (age 6) from Walkern, Herts.
